

# DIRECTORY OF GRADUATE PROGRAMS IN APPLIED SPORT PSYCHOLOGY

The 10<sup>th</sup> edition of the *Directory of Graduate Programs in Applied Sport Psychology* is now available!

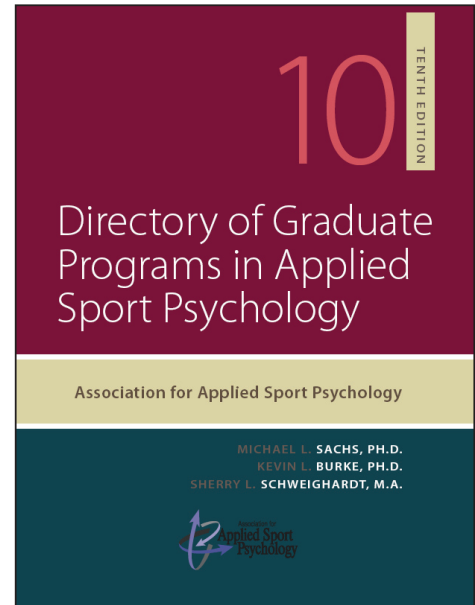

“The AASP *Directory of Graduate Programs in Applied Sport Psychology* was an invaluable resource for finding a program that was a great fit for my specific interests – I would recommend it to any student looking to learn about the many options available in sport psychology education. The systematic way in which the Directory describes each program, particularly the research-applied continuum, is extremely helpful in comparing a variety of schools. The Directory was instrumental in my decision-making process and offered the most important information in one place.”

- Bridget Mahon

Master’s Graduate Student, Boston University

The 10<sup>th</sup> edition of this widely acclaimed directory offers a wealth of information on more than 100 master’s and doctoral degree programs from nine countries. The directory rates programs on their research to applied emphasis and includes all relevant contact information and statistics, including specific degrees offered, number of students, etc.
