Anticipated Graduation Year: \_\_\_\_\_

Student Initiative(s) you would like to serve on (please do not check more than 2 initiatives) – see descriptions on the [AASP Student Initiatives website](#):

- Science & Practice Initiative (SPI)
- Social Communications Initiative (SCI)
- Undergraduate Connections (UGC)
- Conference Planning Initiative (CPI)
- Social Justice Initiative (SJI)

**POSITION DESCRIPTION:** Student Delegates must be current members of AASP. Delegates are responsible for participating in their assigned Student Initiative(s), supporting AASP strategic plan goals, providing support for student initiative and professional committee collaborations, and other duties as assigned by the current Executive Board Student Representatives. Service term begins January 1 following the Annual Conference and runs **through** the subsequent Annual Conference (October). There are a limited number of spots as a Student Delegate available. Therefore, review of applicants will be competitive, and all applicants are not guaranteed a position.

The application window has been reopened through **May 1, 2022**. Application materials include:

- AASP Student Delegate Application Form
- A current resume or curriculum vitae (CV)
- 500-word statement of intent describing your interest in becoming a student delegate, proposed involvement in an established student initiative or initiatives for the coming year, and previous AASP service experience or other leadership experiences (including but not limited to planning of regional conferences or program positions). Not having leadership experience is not a disqualifier for the role.

The application window will be open following the end of the Annual Conference and **applications are due by May 1, 2022**. Please submit all application materials to [studentrep@appliedsportpsych.org](mailto:studentrep@appliedsportpsych.org). *Applications will not be accepted prior to the end of the Conference.*
