**Leading Sport and Performance Psychology Practitioners to
Assemble for 39th Annual Conference at Planet Hollywood, Las
Vegas, October 23-26**

***– Over 100 sessions featuring the latest techniques and practices in sport
psychology –***

WHAT:

The [Association for Applied Sport Psychology](#) (AASP) is bringing together leading researchers and applied practitioners focused on performance excellence for a wide variety of performance populations for its [39th Annual Conference](#). Taking place at Planet Hollywood, Las Vegas, from October 23-26, 2024, this multi-day event will feature over 100 workshops, lectures, panels, and symposia, delivering continuing education on the latest techniques and practices in the field.

Keynote sessions include:

- Bridging the Research-to-Practice Gap in Sport and Performance Psychology
- Performance Excellence Interview with Forrest Griffin, UFC Hall of Famer & Vice President, Athlete Development
- Game-Changing: Applying Performance Psychology in Corporate Settings
- How Diverse Is Diversity? Difference as Cultural Praxis

WHO:

The conference will provide attendees with the opportunity to network and learn from thought leaders, researchers, and graduate training directors. Featured speakers include:

- **Graig Chow**, University of California, Berkeley
- **R. Kweku Akyirefi Amoasi (Ramel Smith)**, USOPC
- **Tatiana Ryba**, University of Jyväskylä
- **Mustafa Sarkar**, Nottingham Trent University
- **Robert Castillo**, Castle Corp Consulting/SAIC
- **Adam Naylor**, Deloitte
- **Angela Winter**, HigherEchelon

WHEN: October 23-26, 2024

WHERE: Planet Hollywood
3667 Las Vegas Blvd S
Las Vegas, NV 89109

[Virtual registration](#) is also available.

Media wishing to attend in person can RSVP to candice@rosengrouppr.com – spots are limited

About Association for Applied Sport Psychology (appliedsportpsych.org)

The Association for Applied Sport Psychology (AASP) is the premier association working to ensure every performer has the resources to strengthen their inner edge through the advancement and application of excellence in mental performance and mental health. To do that, AASP cultivates an inclusive field of Certified Mental Performance Consultants® (CMPCs), licensed mental health professionals, educators, and researchers. Founded in 1985, AASP currently has over 3,200 members worldwide, supporting people at every age and level across the performance spectrum – including sport, exercise, tactical, business, and performing arts populations – and elevating their ability to perform and thrive. Follow AASP on [LinkedIn](#), [Instagram](#), [Facebook](#), [YouTube](#) and [X](#).
